Subject: U.S. Fish and Wildlife Service Request for Extension of Comment Period for the Draft License Application for South Sutter Water District's Camp Far West Hydroelectric Project, FERC No. P-2997, in the Bear River Watershed; Yuba, Placer, and Nevada Counties, California

Dear Ms. Bose and Mr. Arnold:

On December 31, 2018, the South Sutter Water District (Licensee) issued its Draft License Application (DLA) for the Camp Far West Hydroelectric Project, Federal Energy Regulatory Commission P-2997 in the Bear River watershed. The Licensee requested that comments on the DLA be submitted by April 1, 2019.

As the DLA was issued during the 35 day Federal government shutdown, the U.S. Fish and Wildlife Service (USFWS) was unable to work on the DLA until the government reopened on January 28, 2019. The USFWS is therefore requesting a 35 day extension, until May 6, 2019, to file comments on the DLA.

If you have any questions, please contact A. Leigh Bartoo at 916-930-5603.

Sincerely,

  
for Kaylee Allen  
Field Supervisor
