SSWD'S JULY 2, 2016 EMAIL TO NMFS

Subject: Camp Far West Relicensing: ESA Consultation

Tom – As we discussed at the June 27 Camp Far West Project relicensing Joint Meeting, FERC designated SSWD as its non-federal representative for informal consultation under Section 7 of the ESA.

In that regard, SSWD would be pleased to meet with NMFS to discuss ESA-related items within NMFS' jurisdiction. We'd invite FERC to participate, of course.

If you think such a meeting would be useful, let me know and we'll find a date that will meet everyone's calendar. It might be useful to have the meeting before the deadline for filing comments on the PAD (might help focus the comments), but up to you, of course.,

Thanks, Tom.
